Subject: REMINDER: The Link (Minneapolis, MN) JAC Model Presentation TOMORROW

Just a reminder about tomorrow's call..

Please take time to join our webinar/ conference call with folks from The Link in Minneapolis, Minnesota. Program staff will share with our working group information about their assessment center model and be available to answer questions that we may have as we develop our plan in Shelby County. All of the information about how to connect to both the web portion and conference call are highlighted below.

This is a great opportunity for everyone to be able to do a visit with another assessment center site without leaving your desk. If you aren't familiar with the Go To Meeting technology, this link <http://help.citrix.com/getready> can help you become familiar with what to expect during the webinar/ conference call before next week. As always, if you have any questions prior to next, feel free to contact me any time.

Hope that you can join us next week!
